José H C Monteiro da Silva

Philadelphia, PA, USA | josehcms@sas.upenn.edu | LinkedIn | GitHub | Google Scholar | Bluesky

CURRENT POSITION

Ph.D. candidate in Demography, University of Pennsylvania
(expected graduation: May 2027)
Dissertation: *The Demography of Under-5 Mortality*
Committee: Michel Guillot (chair), Irma Elo, Andrea Verhulst, Patrick Gerland, Alyson van Raalte
Affiliated to the *International Max Planck Research School for Population, Health and Data Science (IMPRS-PHDS),* **Max Planck Institute for Demographic Research**.

EDUCATION

2025 **M.A. Statistics and Data Science, The Wharton School, University of Pennsylvania**

2019 **M.Sc. Demography, University of Campinas, Brazil**
Thesis: *Fertility and educational pairing in Brazil: a cohort analysis*
Committee: Everton E C Lima (chair), Maria Coleta F A de Oliveira (co-chair), Glaucia Marcondes, Ana Paula Verona

2016 **B.Sc. Electrical Engineering, University of Campinas, Brazil**

RESEARCH INTERESTS

Infant and Child Health, Mortality, Demographic Methods, Health Inequalities

PEER-REVIEWED PUBLICATIONS

2026 **Monteiro da Silva JHC**, Paglino E, Borges GM, and Nepomuceno M. The Emergence of an Urban Mortality Advantage in Brazil: An Assessment of Age and Causes-of-Death Contributions to the Urban-Rural Mortality Gap. ***Journal of Urban Health***. https://dx.doi.org/10.1007/s11524-026-01076-0

Monteiro da Silva JHC, Lima EEC, Castanheira HC, and Gerland P. *fertestr: R package for fertility estimation*. **R package (work in progress).** https://github.com/josehcms/fertestr

GRANTS, AWARDS, AND FELLOWSHIPS

2025 Benjamin Franklin fellowship. University of Pennsylvania.

Visiting Doctoral Student Fellowship. Institut National d'Études Démographiques (INED)

Nancy Farriss M. Farriss Award for the best paper by a graduate student. Center for Latin American and Latinx Studies, University of Pennsylvania.

School of Arts and Sciences Travel Subvention for the PAA Annual Meeting

2024 Benjamin Franklin fellowship. University of Pennsylvania

School of Arts and Sciences Travel Subvention for the PAA Annual Meeting

2023 Benjamin Franklin fellowship. University of Pennsylvania

Travel Subvention for the Population Association of America Annual Meeting. School of Arts and Sciences, University of Pennsylvania

Research Student Individual Grant for the PAA Annual Meeting. Graduate and Professional Student Assembly (GAPSA), University of Pennsylvania

2022 Benjamin Franklin fellowship. University of Pennsylvania

2018 Graduate (Masters) research fellowship. Sponsor: Brazilian National Council for Scientific and Technological Development (CNPq). Grant number: 130897/2017-5.

2017 Graduate (Masters) research fellowship. Sponsor: Brazilian National Council for Scientific and Technological Development (CNPq). Grant number: 130897/2017-5.

2015 Science without Borders exchange scholarship – University of Melbourne, Australia. Sponsor: Brazilian National Council for Scientific and Technological Development (CNPq). Grant number: 212621/2014-9.

2013 Undergraduate research fellowship. Sponsor: Brazilian National Council for Scientific and Technological Development (CNPq). Grant number: 122790/2013-8.

2012 Undergraduate research fellowship. Sponsor: São Paulo Research Foundation (FAPESP). Grant number: 11/23288-4.

SELECTED CONFERENCE PRESENTATIONS (* = Presenter)

2024 **Monteiro da Silva JHC*,** Guillot M, Verhulst A, Romero-Prieto J. Revisiting the Rise and Fall of Excess Male Infant Mortality. *Population Association of America 2024 Annual Meeting, Columbus, OH*

Verhulst A*, **Monteiro da Silva JHC,** Romero-Prieto J, Guillot M. Estimating Under-Five Mortality With Incomplete Vital Registration Data. *Population Association of America 2024 Annual Meeting, Columbus, OH*

Monteiro da Silva JHC, Kim HJ*, Tirmizi H, O'Neil K. Effects of Exposure to Prenatal Care on Child Polio Vaccination in Pakistan. *Population Association of America 2024 Annual Meeting, Columbus, OH*

2023 Castanheira, HC, and **Monteiro da Silva JHC***. Timeliness in Birth Registration and Data Quality in Selected Latin American Countries. Population Association of America 2023 Annual Meeting, New Orleans, LA

PROFESSIONAL SERVICE

Reviewer for *BMC Public Health, Scientific Reports, Population Health Metrics, Plos One, Journal of Population Research, Revista Brasileira de Estudos de População, Notas de Población*

PROFESSIONAL AND RESEARCH EXPERIENCE

University of Pennsylvania – Philadelphia, PA, USA
PhD Candidate *2022 – Present*

Research Assistant, Data Scientist *2022 – Present*
- Dynamics of fetal death in India (PI: Michel Guillot) *2026 – Present*
- Health and Mortality of Immigrants in the USA (PIs: Irma Elo and Neil Mehta) *2025 – Present*
- DeCode Zika and Covid (PI: Leticia Marteleto) *2025 – 2025*
- Global Age Patterns of Under-5 mortality (PI: Michel Guillot) *2022 – 2024*

Max Planck Institute for Demographic Research – Rostock, Germany
Affiliated PhD Student, International Max Planck Research School *2023 – Present*

Institute National d'Études Demographiques – Paris, France
Visiting PhD Student *Summer 2025*

CELADE, Population Division of the Economic Commission for Latin America and the Caribbean, United Nations (ECLAC/UN) – Santiago, Chile
Consultant, Demographer and Data Scientist (remote) *2020 – 2022*

International Policy Centre for the Inclusive Growth, United Nations Development Programme (IPC-IG/UNDP) – Brasília, Federal District, Brazil
Researcher, Data Scientist *2018 – 2020*

University of Campinas (UNICAMP) – Campinas, São Paulo, Brazil
Research Assistant, Data Scientist at the Population Studies Center 'Elza Berquó' *2017 – 2018*

Research Intern at the Faculty of Electrical and Computer Engineering *2013 – 2014*

Research Intern at the Institute of Mathematics, Statistics and Scientific Computing *2012 – 2013*

TEACHING EXPERIENCE

University of Pennsylvania
Instructor
- DEMG 6090: Basic Demographic Methods (graduate level) *Fall 2025*

Teaching Assistant
- SOCI 2011: Social Statistics Using R (undergraduate level) *Fall 2024*
- DEMG 6090: Basic Demographic Methods (graduate level) *Fall 2024*
- SOCI 2220: Health of Populations (undergraduate level) *Fall 2023*

National School of Public Health Sergio Arouca, Oswaldo Cruz Foundation (ENSP/FIOCRUZ – Brazil)
Guest Instructor
- Concepções, Métodos e técnicas em estudos de mortalidade (graduate level) *Summer 2023*

University of Campinas (UNICAMP – Brazil)
Workshop Instructor
- Introduction to R (one week, graduate level) *Spring 2021*

Teaching Assistant
- Demography (undergraduate level) *Spring 2018*
- Statistics for the social sciences (undergraduate level) *Fall 2017*

Learning Assistant
- Electrical Machines Laboratory (undergraduate level) *Fall 2016*
- Electric Circuits for Mechanical Engineering (undergraduate level) *Fall 2014*
